**OBJECTIVES**

Following participation, you will be prepared to:

- discuss the scope of the epidemic of chronic pain and its burden on society
- discuss treatment approaches to pain
- describe decision-making in the appropriateness of prescribing opioids for relief of chronic pain, weighing benefits and risks
- explain methods that help to accountably manage patients who are prescribed controlled medications
- discuss how buprenorphine can be used as an alternative in the treatment of opioid-dependent patients
- differentiate among various opioid drugs and discuss how to appropriately prescribe them, taking into account duration of action
- demonstrate the effective use of PMP’s (Pain Management Programs) in the management of patients on long-term controlled substances
- manage symptoms and signs of opioid withdrawal
- discuss the effects that opioids can have on anxiety and other psychiatric disorders
- list substances banned by the NCAA and professional athletic organizations
- discuss the use of injectable medications for treatment of pain in athletes
- explain potential interactions between opioids and recreational drugs
- select patients who are likely to benefit from osteopathic manipulation therapy in the management of pain
Family Medicine Spring Symposium
April 12, 2013 • National Center for Aviation Training, Jabara Campus • Wichita, Kan.

Privacy Policy
KU Continuing Education does not share, sell, or rent its mailing lists. You have our assurance that any information you provide will be held in confidence by KU Continuing Education.

We occasionally use mailing lists that we have leased. If you receive unwanted communication from KUCE, it is because your name appears on a list we have acquired from another source. In this case, please accept our apologies.

Program Accessibility
We accommodate persons with disabilities. Please call 785-864-5823 or mark the space on the registration form, and a KU Continuing Education representative will contact you to discuss your needs. To ensure accommodation, please register at least two weeks before the start of the symposium.

The University of Kansas is committed to providing programs and activities to all persons, regardless of race, religion, color, national origin, ancestry, sex, age, disability, and veteran status. In addition, university policies prohibit discrimination on the basis of sexual orientation, marital status, and parental status.

The University of Kansas Medical Center is an AA/EO Title IX institution.

Nondiscrimination Policy
The University of Kansas prohibits discrimination on the basis of race, color, ethnicity, religion, sex, national origin, age, ancestry, disability, status as a veteran, sexual orientation, marital status, parental status, gender identity, gender expression and genetic information in the University’s programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Director of the Office of Institutional Opportunity and Access, IOA@ku.edu, 1246 W. Campus Road, Room 153A, Lawrence, KS, 66045, (785)864-6414, 711 TTY.

Refund and Cancellation Policy
A full refund of registration fees, less a $15 administrative fee, will be available if requested in writing and received by April 5, 2013. No refunds will be made after that date. A $30 fee also will be charged for returned checks. (Please note that if you fail to cancel by the deadline and do not attend, you are still responsible for payment.) KU Continuing Education reserves the right to cancel the Family Medicine Spring Symposium and return all fees in the event of insufficient registration. The liability of the University of Kansas is limited to the registration fee. The University of Kansas will not be responsible for any losses incurred by registrants, including but not limited to airline cancellation charges or hotel deposits.
