CME Accreditation and Objectives

The University of Kansas Medical Center Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Kansas Medical Center Office of Continuing Medical Education designates this live activity for a maximum of 1 AMA PRA Category 1 Credit. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

At the end of the presentation participants will be able to:

Discuss the strength and limitations evidence regarding the causal link between PFO to ischemic stroke.

Discuss the strength and limitations evidence regarding the causal link between homocysteine to ischemic stroke.

Compare and contrast the requirements for evidence of association and causation.

Neurology Update 2012

Patent foramen ovale, homocysteine, blue eyes and stroke: Association or causation?
