Building a Love for Reading!

Teachers and parents have taken the lead in promoting reading as an ongoing recreational alternative to electronic entertainment. The KU Reading Program for Children is a valuable partner in the endeavor to encourage children to read both in and out of the classroom.

Zoology Track

Foster discovery of all things zoology with this track, selected by teachers, librarians and administrators. Encourage your students to read at least four books in this track and they will receive a special reward—a cool zoology bookmark!

Program Funding through Sponsorships and Parent Teacher organizations

Local businesses and Parent Teacher Organizations can join the effort to encourage reading among children by sponsoring this program at any elementary school in Kansas. Program fees are as low as $25 and can be a great way to relieve tight school budgets while helping to provide a positive educational program for children. Additional benefits of sponsorship are available on our website.
